

Northeastern University

University Libraries

**There's Something for Everyone
at Northeastern!**

Founding Partners

Public Library of Science

**Scholarly Publishing and Academic
Resources Coalition**

Students for Free Culture

Our Program

- ❖ **Geoff Davies** and **Elham Ghabbour**, the editors of *Annals of Environmental Science*, an open access journal hosted at NU
- ❖ **Joan Krizack**, University Archivist and Head of Special Collections
- ❖ **Paul Nguyen** of the Internet Archive and **Amy Lewontin**, Collection Development Librarian, who have been working on a project with the Open Content Alliance
- ❖ **Debra Mandel** and **Thomas Bary** of the Digital Media Design Studio

OPEN  ACCESS

What You Can Do to Support Open Access

- **USE open-access research**

[see www.doaj.org, www.opendoar.org]

- **SHARE your work**

[retain your rights, use your repository, publish open access]

- **TAKE action**

[talk to students, faculty, administrators about OA policies]

- **SHOW your support**

[display web buttons, stickers, join Facebook groups]

- **GET connected**

[leave your e-mail address here today so the organizers can follow up with you, join the OA e-networks at

www.arl.org/sparc]
