10-11:30 AM

90 Snell Library

For a training session on Web of Science

• to help you identify research funding information
  • to see where funding money is going
• to learn what research has been developed from a specific grant
• to understand who funded research at particular institutions

Don Sechler, of Thomson-Reuters, will conduct a workshop on how faculty and researchers can best use the Web of Science database.

Questions? Please contact Head Librarian-Research and Instruction Jamie Dendy at j.dendy@neu.edu, 617-373-3344.
